

Celebrating Excellence: An Evening with Wendel Clark & Special Guests

The Saskatchewan Sports Hall of Fame and Museum (SSHFM) and Regina Queen City Kinsmen (QCK) are pleased to announce the inaugural ***Celebrating Excellence*** Dinner to be hosted at the Turvey Centre on Thursday, February 4th, 2010.

Celebrity guest speaker for the evening is Saskatchewan's own Wendel Clark. Best known for being a member of the Toronto Maple Leafs, Wendel earned the moniker, "Captain Crunch", in reference to his very physical and intense style of hockey. Wendel will bring this intensity to our event as he relives some of the hockey memories that have made him a fan favourite.

Refereeing the interactive evening of live auctions, silent auctions, raffles, and door prizes will be "**The Hockey Comedian**", Craig "Frenchie" McFarlane. His hockey satire, stories, and impersonations set the stage for a hilarious night of entertainment. The evening will also include a number of Saskatchewan sport personalities.
